WORSHIP

To join with us in worship during this pandemic you will need:

- Internet access
- A phone or laptop with a camera and microphone
- —or— a friend who has these two things!

THAT'S IT!

We will meet for worship on Sundays at 10:00am and you can join us *wherever you are*. A coffee shop. Your couch. Your bed. A friends house. You name it. We will be using a platform for video conferencing called Zoom.

To download Zoom for your computer:

1. Go to <https://zoom.us/download> to find the Zoom client that will work with your computer or device!
2. OR just simply attend a meeting through your computer's browser!

Here's how getting into the meeting works. You will receive an email notification or can find this information on our church's Facebook page (like us! www.facebook.com/lakewoodumc.co). You can either click the link there, or you can enter our church's "meeting ID" into the field where it asks for it. If you run into any trouble, you can email Ben at ben@lumc.net!
